## About the TC

The Training Center at Motivational Services provides training for the health and human service community including MHRT 1 certification. Our commitment to your training needs does not stop in the classroom; experienced administrative staff and instructors are available to assist you in meeting licensing requirements and increasing service quality.

The TC offers it's customers:

**Competitive Pricing**

**Online Registration**

**Facilities Conducive to Learning**

~Complimentary coffee & spring water

**On-site Classes** ~training when and where you need it!

**Contract Training** ~ Receive discount pricing and support services to help manage your training needs

We are your partner for success, contact Chele' DuBois at 623-7721 or [cdubois@mocomaine.com](mailto:cdubois@mocomaine.com) to discover how the Training Center can make a difference for you!

The above classes are open to the public & held at our Augusta location. We also regularly offer classes in Waterville and Windham or can travel to your location; contact the TC for details.
